Banners are the creative rectangular ad that are show along the top, side, or bottom of a website in hopes that it will drive traffic to the advertiser's proprietary site, generate awareness, and overall brand consideration. This type of visual banner-style online advertising is a form of display advertising.

### AND FINALLY...

Keeping long-term staff in the highly competitive Dublin restaurant industry can be difficult especially as external factors such as living costs and high rents have increased staff shortages. Key staff members value the training received as the courses have helped bring out their business and sales skills.
